TELECOMMUNICATIONS FOR THE DEAF (TTD)

MESSAGE RELAY SERVICES FOR COMMUNICATING WITH THE DEAF

Hearing people who do not have a Telecommunication Device for the Deaf (TDD) and want to reach someone with a TDD can do so via the Federal Information Relay Service as follows:

Call a Relay Service operator on 1-800-877-8339. You will be answered by either a voice or a "beep" from a TDD. If you hear a beep, say something to let the operator know this is a voice call.

Once the operator is on the line, provide the telephone number of the person you want to call. Once the call is answered, you can converse with the person through the operator.

Deaf people with TDDs can also use this service to speak to hearing people without TDDs.

SCHEDULING CONFERENCE ROOMS

SCHEDULING CONFERENCE ROOMS

Scheduling Conference Rooms in the Comptroller General's Suite

The Comptroller General's Suite includes three rooms that are available to meet the short-term conference requirements of GAO's executives. Please note that the Comptroller General's needs for these rooms are given first priority. The room names, room locations, and capacities are listed below.

Name	Room	Capacity
Campbell Room	7C10	40
Warren Room	7B16	25
Staats Briefing	7C13	90

To determine the availability of the room, call the receptionist in the Office of the Comptroller General on 202-512-5500. Please call to make reservations as far in advance as possible. If the room is available, you must complete GAO Form 318 and submit it to the Comptroller General's office to confirm the reservation. Reservations will not be made final until the form is received.

When calling to reserve the room please have the following information available. This information is also needed to complete GAO Form 318.

- date and time (beginning and length of time) for which the room is needed;
- name, telephone number, and division/office of the person scheduling the meeting;
- number of persons attending; and
- conference subject or general identity of the group to be in attendance.

Occassionally, reservations may be cancelled if the Comptroller General has an urgent need. If this happens, the Comptroller General's staff will attempt to identify an alternate conference room.
